

Green Clean is a pleasantly-scented product designed for the rapid removal of grease and other heavy soils. It penetrates quickly, emulsifying the deposits for easy rinsing. It is safe, non toxic, biodegradable and non-flammable.

DIRECTIONS FOR USE:

This product must be used in accordance to the following directions by HVACR professionals only.

1. Goggles and gloves are recommended.
2. If diluting product, utilize any of the Nu-Calgon sprayers. If using concentrated, use directly from this bottle.
3. For light soils or general cleaning, mix 10 parts water to 1 part Green Clean. For fabric and vinyl upholstery mix with 30 parts water. For linoleum, floor tile, no wax floors and general carpet cleaning, mix with 50 parts water. For glass windows, mirrors, stainless steel, mix with 150 parts water (about 1/4 oz. Green Clean in one quart of water). For more stubborn deposits, use Green Clean directly from the bottle. When using the Green Clean undiluted, apply water to surface or fabric first. Spray cleaning solution onto dirty surfaces and allow it to remain in contact for several minutes. Rinse surface thoroughly or wipe surface with a clean, damp cloth.
4. When container is empty, rinse, replace cap and dispose of properly.

GREEN SELECT PRODUCTS: Nu-Calgon's Green Select coil cleaners are formulated with natural, renewable ingredients derived from plants and other eco-friendly resources. To support this commitment, the ingredients are continually re-evaluated to ensure they are the best available under Nu-Calgon's Green Select program. Visit www.epa.gov/dfsafecoice.com

DILUTION CHART	
Light Soil	1 part Green Clean : 10 parts water
Medium Soil	1 part Green Clean : 3 parts water
Heavy Soil	No diluting, use directly from the bottle

Green Clean®

ALL-PURPOSE CLEANER

*Heavy Duty Formula
Concentrated Cleaner*

Pleasantly Scented Degreaser

Environmentally Friendly,
Biodegradable

FOR PROFESSIONAL USE ONLY

55 U.S. Gallon (208.18 Liters)

ENVIRONMENTAL, ECONOMICAL CHOICE: Green Clean is the cleaner of choice for the environmentally conscious user. It is formulated with select ingredients chosen from the EPA's Safer Choice program to be both biodegradable and safer for consumers and businesses.

The powerful, concentrated formula can be diluted according to the soil load and type, providing up to 30 times the amount of cleaning solution. Controlling the dilution strength increases the number of cleaning applications available.

DANGER
Causes serious eye irritation.

PREVENTION: Wear eye protection. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor. **STORAGE:** Store away from incompatible materials. **DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.

KEEP OUT OF REACH OF CHILDREN.

CONTAINS (CAS#): Water (7732-18-5), C9-C11 Alcohols, Ethoxylated (68439-46-3), Tetrasodium Iminodisuccinate (144538-83-0), Sodium Carbonate (497-19-8), Sodium Xylene Sulfonate (1300-72-7), Undecan-1-ol, Ethoxylated (34398-01-1), Fragrance (proprietary), D-Limonene (5989-27-5), Citral (5392-40-5).
