Caution: Keep Out of Reach of Children.

Remove this PurCool Green Mini Strip from the package and place against the evaporator coil or slide it into any drain pan opening. This will allow condensate from the evaporator to activate the Mini Strip treatment. PurCool Green Mini Strips utilize plant based dispersing and suspending action to prevent blockages from sludge, buildup, and dirt. Keeps drain pans clean, flowing, and odor free. No Biocides or harsh chemicals. **See Safety Data Sheet for Additional Product Information.**

- One Mini Strip treats up to 5 tons for 4 - 6 months.
- Prevents Sludge, Buildup, Odors, and Overflows.
- Improves Indoor Air Quality safely and naturally.

- Mini Strips can be cut in half for use with smaller tonnage evaporators.
- Mini Strip completely dissolves over time. No residue, nothing to remove.
- Non-Corrosive.
