# Penetrate<sup>HD</sup><sup>®</sup>

Super Penetrating Oil

Penetrate<sup>HD</sup> is specially formulated with new low surface tension technology to penetrate into the smallest cracks, crevices, seams, or threads of rusted, seized, and corroded parts to quickly dissolve the bonds of rust, corrosion, carbon deposits, gums, varnishes, and grease to free the metal parts. Penetrate<sup>HD</sup> displaces water and leaves a lubricating film to protect metal parts and prevent rust and corrosion.

*Super Formula Penetrates into the Smallest Spaces.  
Results Are Amazing!*

**APPLICATION:** For use on HVACR blower & motor shafts, fan blades, pulleys & other parts, plant machinery, processing equipment, tools, rusted nuts, bolts, screws, fasteners, hinges, locks, pins, sliders, auto, truck, marine equipment, and for cleaning rifle barrels and guns.

**DIRECTIONS:** Spray Penetrate<sup>HD</sup> on the frozen part. Allow it to work into the affected area. Lightly tap the part to improve penetration. Loosen and remove the part. Repeat if necessary.

#### Penetrate<sup>HD</sup>

**DANGER:** Flammable aerosol. Contains gas under pressure; may explode if heated. Causes skin irritation. Causes serious eye irritation. May cause an allergic skin reaction. May cause cancer. May cause genetic defects. May be fatal if swallowed and enters airways.
