

#### APPLICATION

Evap Pow'r® Ultra Concentrate is a heavy-duty evaporator coil cleaner. Evap Pow'r Ultra's performance is equal to one gallon of Evap Pow'r-C but reduces package size by 75%. It's near neutral pH formulation is engineered for "no-rinse" indoor coil cleaning and is safe for use on micro-channel coils.

Evap Pow'r Ultra is a biodegradable detergent designed to clean and emulsify the most stubborn soils and deposits in heavy duty applications. The near neutral formula protects system metals while its detergents clean away grease and grime.

Evap Pow'r Ultra is safe for use on coils in and around food processing areas, where its use is not intended for direct or indirect food contact. Cover or remove all food products in the area where the product will be used.

#### DIRECTIONS

THIS PRODUCT MUST BE USED IN ACCORDANCE TO THE FOLLOWING DIRECTIONS BY HVACR PROFESSIONALS ONLY.

1. Disconnect power from equipment. Goggles, gloves and other protective gear must be worn when using this product.
2. Identify your application and prepare proper dilution based on Dilution Chart. When using Nu-Calgon Coil Gun, set to E (10:1).
3. Spray cleaning solution on dirty coil, allowing solution to emulsify and break down grease and grime for 5-10 minutes. No rinse is optional when returning unit to cooling mode.
