

WATERLESS HAND CLEANER TOWELS THAT GOES ANYWHERE, ANYPLACE, ANYTIME.

- Pumice hand cleaner towels
- Disposable, self-dispensing canisters in 30 or 80 count
- Pleasant citrus scent
- NSF Registered

Description

Scrubs-In-A-Bucket works fast to remove embedded grime, grease and dirt while conditioning and softening hands at the same time. It was especially designed for HVACR and plumbing professionals for on the job hand cleaning needs. The effectiveness of pumice soap in a one-step, premoistened towel allows you to use Scrubs Hand Cleaner Towels anywhere, anyplace, anytime!

Application

Scrubs Hand Cleaner Towels' powerful yet safe, cleaning formula works together with an absorbent, non-scratching abrasive hand cleaner towel to remove the toughest of stuff. These shop size durable towels quickly absorb to remove substances, such as lubricant, grime, ink, tar, caulk, sealant paint, epoxy, adhesive, grease, urthane, and much more.

Scrubs can also be used to degrease tools, equipment, painted surfaces, plastics, tool boxes, work surfaces, vinyls, metals and more.

Specialty Products

Scrubs-in-a-Bucket® HVAC80™

Directions for Use

Open and unfold cleaning towel to full size. Use abrasive side to scrub and instantly clean soiled hands. No need to rinse or dry hands. Dispose of used towels properly. Reseal container when not in use to ensure moisture retention.

Packaging

30 count bucket	4366-24
80 count bucket	4366-87

Read and understand the product's label and Safety Data Sheet ("SDS") for precautionary and first aid information.
